Apps for Me

Nezasa Is Available Now

Nezasa provides the services and comforts of a traditional travel agency combined with the simplicity and price levels of an online portal. With Nezasa, users can customize their business trips for an authentic local experience in the country they are visiting without the hassle of planning and booking in numerous places. Users can include their favorite activities, hotels, and transfers and book the entire itinerary all in one place. Nezasa's local tour operator takes care of the rest and can assist users at any time before and during their trip. After users connect their Concur account with Nezasa, they receive an email with options for their personal journey.

Nezasa works with **Travel** for Concur Professional and **Travel** for Concur Standard. It is available now in the Concur App Center under in the Concur App Center under **Apps for Me** at <https://www.concur.com/en-us/app-center>.

Shopnfly Is Available Now

Shopnfly makes duty-free shopping fast and easy. With Shopnfly users can search duty-free products, locate the best deals, order them online, and have their products waiting for them at the airport of their choice.

Shopnfly works with **Travel** for Concur Professional and **Travel** for Concur Standard. It is available now in the Concur App Center under **Apps for Me** at <https://www.concur.com/en-us/app-center>.

Travefy Is Available Now

Travefy makes group-travel planning easy. With Travefy travel groups can collaborate on trip details, build rich itineraries, and collect shared expenses. When users connect their Concur account and itineraries booked in Concur, they automatically flow into Travefy.

Travefy serves over 8 million activities, restaurants, accommodations, flights and deals across the globe to discuss, book, and build a rich shared itinerary. Travefy's expense management tool allows groups to track all shared expenses, settle the bill, and collect payments through Travefy, so organizers never get stuck with the bill again!

Travefy is free to consumers at Travefy.com and is fully optimized to work on any mobile, tablet or device.

Travefy works with **Travel** for Concur Standard. It is available now in the Concur App Center under **Apps for Me** at <https://www.concur.com/en-us/app-center>.

Tripsy Is Coming Soon

Tripsy makes planning business travel with colleagues easier. After users install the Tripsy browser extension and connect their Concur account with Tripsy, they can access their colleagues' upcoming travel itineraries. With Tripsy, users no longer have to hunt down their colleagues itineraries. With one click from the Concur site, users can search for flights or hotels and they can easily see who is on what flight and where everybody is staying.

Tripsy works with **Travel** for Concur Professional and **Travel** for Concur Standard. It is coming soon in the Concur App Center under **Apps for Me** at <https://www.concur.com/en-us/app-center>.

Uber Is Available Now

Uber makes it easy to get a ride that fits the occasion. Users can choose the low cost uberX for everyday needs, or a premium option for a night out. It's quick, convenient, and cashless. Users just need to tap a button on their phones or mobile devices and get picked up wherever they are around the globe. Uber also makes the expensing process effortless. When users connect their Concur account with Uber, an e-receipt automatically appears in their next expense report and they don't have to worry about paper taxi receipts again.

Uber works with **Expense** for Concur Professional and **Expense** for Concur Standard. It is available now in the Concur App Center under **Apps for Me** at <https://www.concur.com/en-us/app-center>.
