SkyParkSecure

Find our SkyParkSecure App in your Concur account and click the "Connect" button. You'll then be re-directed to our site allowing you to sign in or create your business account with us which will be automatically be linked to your Concur account. Once connect you will automatically receive your invoice into your receipt store for your next airport parking booking through SkyParkSecure. The booking will be automatically added to your next expense report.

Benefits of using the SkyParkSecure app include:

- Compare live prices of over 300 airport parking services
- Compare live reviews of each airport parking service-Store all invoices in one central location
- Easy export of booking information for company invoice receipting.

Price check promise - On a daily basis we compare the prices on offer from over 300 airport car parks to find our customers the best available deals and we back up that statement with our price check promise. In the unlikely event that you do find the same Airport Parking product for less within 24 hours of making a booking with us, tell us and we will match the price or refund the difference. We will also give you a 10% discount on your next booking (*subject to the following terms and conditions).

Qwykr

Qwykr is a complete ground travel solution for the business traveler. Qwykr features regulated, professional drivers for safely and securely transport-ing their employees. The Qwykr app handles the complete process from arranging the ground travel to connecting the traveler with their driver, processing the payment and making the insertion directly into the traveler's expense report with complete IRS required documentation.

For the Concur user, Qwykr automatically enters the receipt to the rider's expense report with all of the proper IRS required documentation included. This assures complete compliance with IRS reporting regulations.

Qwykr works with Expense for Concur Standard and Expense for Concur Professional. It will be available soon in the Concur App Center under User Connections (formerly Apps for Me) at www.Concur.com/AppCenter. For more information about Qwykr, visit their website at <http://qwykr.com/>.

App Center Activation in October

Clients who do not have the App Center tab in Concur will receive it in the October 2017 release.

Impacted clients will receive communications from their travel management company and/or Concur providing advance notice of this change.

The App Center allows Concur clients to extend the value of their Concur solution by providing greater insights into spend and simplifying travel and expense.

If you are a customer who will be receiving the App Center, visit <https://go.concur.com/App-Center-Enablement-Resources.html> for more details.
