Global Wi-Fi footprint: Yualo Travel uses the world largest Wi-Fi network. Keeping you connected in airports, hotels, train stations, aircraft, venues and many other places outdoor worldwide. Connect Yualo Travel to Concur and receive e-receipts for your Yualo wifi fees for easy expensing.

Yualo works with Expense for Concur Standard and Expense for Concur Professional. It will be available soon in the Concur App Center under User Connections (formerly Apps for Me) at www.Concur.com/AppCenter. For more information about Yualo, visit their website at <https://www.yualo.com/>.

Qwykr

Qwykr is a complete ground travel solution for the business traveler. Qwykr features regulated, professional drivers for safely and securely transporting their employees. The Qwykr app handles the complete process from arranging the ground travel to connecting the traveler with their driver, processing the payment and making the insertion directly into the traveler's expense report with complete IRS required documentation.

For the Concur user, Qwykr automatically enters the receipt to the rider's expense report with all of the proper IRS required documentation included. This assures complete compliance with IRS reporting regulations.

Qwykr works with Expense for Concur Standard and Expense for Concur Professional. It will be available soon in the Concur App Center under User Connections (formerly Apps for Me) at www.Concur.com/AppCenter. For more information about Qwykr, visit their website at <http://qwykr.com/>.

App Center Activation in October

Clients who do not have the App Center tab in Concur will receive it in the October 2017 release.

Impacted clients will receive communications from their travel management company and/or Concur providing advance notice of this change.

The App Center allows Concur clients to extend the value of their Concur solution by providing greater insights into spend and simplifying travel and expense.

If you are a customer who will be receiving the App Center, visit <https://go.concur.com/App-Center-Enablement-Resources.html> for more details.
