GoCatch

GoCatch is a GST compliant travel expense solution that is cardless and paperless. GoCatch enables you to manage your Taxi and Rideshare travel costs effortlessly through your mobile phone or desktop, with seamless Concur integration.

GoCatch is the 100% Australian option to book and pay for Taxi and Rideshare, with no surge pricing and lower fares. For Concur users there are no extra management fees charged on trips. Book ahead with Advance Booking – have a car waiting for you when you need it most, day or night, from 1 hour to 12 months in advance. Easily earn Qantas Frequent Flyer Points on every trip you take with GoCatch, and conveniently pay by connecting and applying any of your preferred payment methods.

Access Economy (Rideshare) vehicles, Taxis, Maxis and Premium luxury vehicles. Get coverage from Australia's largest fleet of Taxis with over 55,000 drivers nationwide.

At the end of your journey, your GoCatch trip receipt automatically links with Concur, filling in the details of your trips for a seamless experience. These GST compliant tax invoices ensure you receive your GST credits adjusted for non-taxable supplies such as state levies. No more paper receipts or lost emails or having to calculate the credit yourself.

Linking your GoCatch and Concur account is simple:

- Login to the GoCatch Portal
- Turn Concur on and follow the instructions to link your account
- Request a GoCatch and your tax invoice will automatically be transferred to Concur at the end of your journey

Download the GoCatch app and connect to Concur today.

GoCatch works with Expense for Concur Standard and Expense for Concur Professional. It is available now in the Concur App Center under User Connections (formerly Apps for Me) at www.Concur.com/AppCenter. For more information about GoCatch, visit their website at <http://www.gocatch.com/>.

Qwykr

Qwykr is a complete ground travel solution for the business traveler. Qwykr features regulated, professional drivers for safely and securely transporting their employees. The Qwykr app handles the complete process from arranging the ground travel to connecting the traveler with their driver, processing the payment and making the insertion directly into the traveler's expense report with complete IRS required documentation.

For the Concur user, Qwykr automatically enters the receipt to the rider's expense report with all of the proper IRS required documentation included. This assures complete compliance with IRS reporting regulations.

Qwykr works with Expense for Concur Standard and Expense for Concur Professional. It will be available soon in the Concur App Center under User Connections (formerly Apps for Me) at www.Concur.com/AppCenter. For more information about Qwykr, visit their website at <http://qwykr.com/>.
