Curb Is Available Now

Curb delivers mobile innovation and a new ride experience to consumers, drivers, and forward-looking ground transportation companies. With Curb, users can seamlessly connect to a nationwide network of over 35,000 taxis and 6,500 for-hire vehicles across 60 cities. Users can use their smartphones to book, track, and pay for their rides, and leave the expense reporting to Concur. When users link their Curb and Concur accounts, their ride receipts are automatically added to their Concur expense report.

Curb works with **Expense** for Concur Professional and **Expense** for Concur Standard. Curb is available now in the Concur App Center under **Apps for Me** at <https://www.concur.com/en-us/app-center>.
